June 2009 – Newsletter No: 2

LDYC hosted another **Power Boat Skippers Course** on **Saturday 6th June 2009**. Jan Nienaber presented the course in the form of a Power Point presentation and the examination was conducted by an Independent Examiner on Sunday morning. 19 members signed up for the course but, unfortunately, only 9 arrived. The Flu Bug got hold of the others. Mike Vella is the first member to have received 100 % for the examination. Congratulations!!!

Our club Manager, John Williams and his crew did the **L26 Measuring** at LDYC on **6th June 2009**, with the kind assistance of the scale from Manten Marina. John did an excellent job of taking photographs of the boats and their weights for records purposes.

Jan Nienaber and Tony Lindhorst checked boats on **Sunday 7th June 2009** and issued **Certificates of Fitness (COF)** on boats on Sunday morning. Only 4 members made use of this golden opportunity. Please remember that the water police are active out there and quite a few people have already received fines of R1 500 and had their boats confiscated because there was no COF on board.

We hosted a successful **L26 Nationals** from **13th to 15th June 2009**. Twelve boats participated in the event. Some good sailing was had by all and our kitchen offered wholesome cooked meals for breakfast and supper. Prize giving took place on Monday afternoon and the results are as follows:

Overall Results

1 st	R Willcox	Streetcar
2 nd	Brandon Smith	La Digue
3 rd	Trevor Donald	Philanderer

Eleanor Spies once again hosted one of her brilliant **Quiz Nights** on Saturday **20th June 2009**. The event, held in the bar, next to the fireplace was well attended, There was much fun and laughter with teams choosing their own names. It was enjoyed by all present. Once again you could smell the brains frying while members were trying to think of the answers to the difficult questions.

Father's Day was on Sunday **21st June 2009**. Hope you dads got that sailing boat that you wished for...

Some members have made internet payments into our bank account. It is important to **put your name as a reference on the payment**. We have received numerous payments, but cannot allocate them because we don't know who the payment is for.
