Round the Island Race Round-up – October 2009

As you are all aware, our annual **Round the Island Race** takes place on the weekend of Friday **6th February 2010**.

In this recession and despite numerous attempts by everyone involved, we have not been able to source a sponsor for our Round the Island Race (RTIR) next year. However, we remain hopeful and continue in our endeavours to find one.

We intend to continue making our RTIR the professional and exceptional event that it has been in the past:

- Brian Emmenis of Capital Radio and his breathtaking air shows will be on the agenda.
- Live bands will be entertaining us on the Friday and Saturday evenings.
- The huge slide will be available to keep the kiddies and not so little children entertained.

Due to the fact that there is **no sponsor**, the Management Committee have no choice but to charge each and every person that comes into the gate an **entrance fee of R50 per person**, (Children under 16 - no charge) Unfortunately, this fee will be charged to all LDYC members as well. We feel that this is a small price to pay for a weekend full of fun, sailing and loads of entertainment.

The **Race entrance fees** have, therefore, also been adjusted accordingly:

Catamaran	R150	Keelboat	R150
Windsurfer	R100	Ultra Class	R200

Each member will be issued with an **arm band** that must be worn the whole weekend. No person will be served with drinks or food unless they are wearing an armband.

Members please note that **no pets** will be allowed in the gate for this weekend. It is unfair to your animals. There are hundreds of people on the property and we would like to prevent any problems. **No unlicensed vehicles** will be allowed on the premises.

We will once again be **selling bar and food tickets**. Mancom have decided that we will do our own catering this time round. A buffet will be prepared for breakfast. Lunch will consist of hot dogs, hamburgers and some simple toasted sandwiches. Supper will be two varieties of a cooked meal.

We would like to take this opportunity to remind members that this is **Your Club** and if every member contributes a few hours towards the event, then we can be guaranteed that it will be a resounding success. I will be contacting you in the near future, to establish from you which duties you are prepared to do for the weekend.

I am **looking for volunteers** for each of the duties listed below:

Ticket Sales	Sell food and drink tickets in the club house
Tuck shop Duty	Sell items in our tuck shop
Bar Duty	Serve drinks in our two bars
Data Capture and Results	Input results onto the computer
Gate Duty	Sell armbands at the gate
Security Duty	Patrol the property after the bar closes
Foreshore Patrol	Designate boats to their designated area

Each shift will be 3 hours long and can be worked at any time from 7am to 12pm daily. Please contact me on (084) 626-0715 or (011) 363-2505 during office hours, to inform me where you would like to work. Remember it is first come, first served.

Yours in Sailing
